

Listening Tour Highlights

Community Comments & Concerns

Need / Purpose of the Road

- Many people agree that Saulsbury Road needs to be extended.
- Extensive development is coming in this area, which will worsen traffic problems.
- Dover needs additional roads as it develops, especially on the west side.
- With all of the development on the west side of town, we need a western by-pass.

Location of the Road

- Where will this road connect at the southern end?
- Many people believe the connector road should go south of Webbs Lane where there is open land.
- Many people think that any connector road should go under or over the railroad.
- Any connector that uses Webbs Lane raises significant safety concerns for school children and residents.
